

WEST CENTRAL FLORIDA SAFETY ALLIANCE MEETING
May 23, 2008
Kearney Construction
11:00am - 1:00pm
NOTES

Introductions

(Contact list of attendees on separate attachment.)

Verify Name & Mission

Name: West Central Florida Safety Alliance

Mission: Community Businesses Partnering To Promote Workplace Safety Awareness

LOGO

Ernie Harben designed a logo which met with everyone's approval.

Alliance for Central Florida Safety (ACFS) Bench Marking

Bobby Estep and Bill Shooter gave an overview of how ACFS started in 2000. There are approximately 200 members with 25 -30 active and they meet monthly to cover a chosen S & H topic and then break up into sub-committees. Their focus is on mentoring, advising, networking and training business owners, not employees. Over 400 people attend their annual "Safety Day" held at Sea World which requires a lot of advance planning.

Services

- Audit - Much discussion on this regarding liability; tabled for now.
- Educate
- Refer
