**MEETING NOTES:**

1. Discussion of Recent OSHA Presentation: Record Keeping
  - a. February 1 – April 30 – Post your OSHA 300A Summary
2. Upcoming Events (with a WCFSA Outreach Opportunity)
  - a. January 28<sup>th</sup>: OSHA Crane Standard at Associated Builders and Contractors Inc. (for ABC members only)
  - b. USF (Dr. Osborne) is looking for some presenters for topics through their forum
  - c. Luke: Maybe WCFSA could set up an OSHA 10-Hour Course or Residential Construction Standard.
  - d. With the new standard in place by June 1<sup>st</sup> Joan suggest we hold a presentation around April. Jodie will see about a presenter and location.
3. Upcoming WCDSA Meetings
  - a. February 18 at Lanier Upshaw: Capital Fall Protection
  - b. March 18 at Tampa Area Safety Alliance: HUGS Fall Protection
  - c. April at Saddle Creek Corporation: Global Harmonization
  - d. May –Mark to check on a tour and room at the new fire station in Winter Haven

- e. June - OxiSure and Zoll AED at TASC
  - f. July - Drug testing / Protection or Combustible Dust (location to be determined)
  - g. Aug/Sep – MRSA
  - h. Other topics: Wellness
4. Fall Protection Standards – When is there a situation when protection is not feasible?
    - a. Good topic for a WCFSA sponsored outreach presentation
  5. Global Harmonization – Is the standard in place and should we initiate new labeling requirements
  6. Fault Tree Analysis: Mark asked if anyone has performed one. Joan has some documentation and experience and she and Mark will get together to discuss.

These are notes as taken during the meeting. Information shown here may change as additional efforts are carried out. Please refer to <http://www.WCFSA.org> for the latest meeting information.
