

WEST CENTRAL FLORIDA SAFETY ALLIANCE

MEETING NOTES

August 17, 2012

Our thanks to the Tampa Area Safety Council for hosting  
the Presentations on the new OSHA  
Guidelines for Global Harmonization!

**NO BUSINESS MEETING:** Our Alliance members were invited to attend several presentations on OSHA's upcoming rule changes for hazard communication through the global harmonization of material safety data sheets. Therefore, we did not have a monthly business meeting.

**NEXT MEETING:** July 21, 2012 at 10:00AM at Saddle Creek Logistics, 3010 Saddle Creek Road, Lakeland, FL 33801. Our safety topic will be "Ladder Safety" presented by Hugh DeHart of Little Giant Ladder Systems. See our website for more details and directions to this meeting.
