

## West Central Florida Safety Alliance

Monthly Meeting Notes

March 22, 2013

Our thanks to the Tampa Area Safety Council and Patty Fernandez for inviting us to participate for free in this presentation!

### ATTENDEES:

Deloris Westfall  
Ernie Harben  
Joan Spencer  
Janine Bain

### PRESENTATION:

- Joan Spencer, Tampa Area OSHA Office, and Ernie Harben, Saddle Creek Logistics, teamed up to present a workshop at the Tampa Area Safety Council on “Creating a Safety Culture”.
- The presentation focused on describing what a safety culture is based on the history of the term and literature on the subject.
- Attendees were taught what a safety culture looks like and how to improve and grow a culture conducive to avoiding injury and controlling hazards.

BUSINESS MEETING: There was no business meeting since this presentation was 2-hours in length.

### NEXT MEETING:

- There will be no formal WCFSa business meeting in April. Instead members are encouraged to sign up and attend the SPI Safety Products annual “Safety Day”.
- April 12 (instead of the 19th) Safety Products Inc. will host their annual Safety and Health Fair at their main distribution center on Craftsman Road in Lakeland. Our Alliance will have a table. Please let Jodie Ciccarello know if you can sit at our table during the day.
