

## WEST CENTRAL FLORIDA SAFETY ALLIANCE

### **MEETING NOTES**

July 18, 2014, 10:00 AM – 12:00 PM

Tampa Area Safety Council

Thanks to Joan Spencer for providing cookies!

#### **ATTENDEES:**

Patty Fernandez has the sign-in sheet

#### **SAFETY PRESENTATION:**

Joan Spencer from OSHA presented on the topic of the new standards on OSHA's Proposed Walking and Working surfaces Standard. New changes to the OSHA Standard 29 CFR 1910 Subpart D for Walking Working Surfaces are bringing the General Industry Standards into alignment with the Construction Industry Standards for scaffolding and fixed ladder access for building maintenance. Excellent!

#### **Business Meeting:**

##### **Shirts. DEADLINE AUGUST 1ST**

Seemed like it was unanimous that we'll just offer the men's cut shirt. Attached is a picture of the shirt with logo and also an image of the colors it is offered in. This should really be included in the email as not a lot of people were able to see it today. Shirt is a Sport-Tek® Dri-Mesh® Polo made from 100% polyester double mesh. I will need to know shirt size (keep in mind this is a men's cut), how many and what color from each person that wants to order one. The price is \$20. If ordering a 3X or larger it may cost a little bit more though. If orders are to me by August 1st I can bring them to the August 15th meeting. I can collect payments then. Cash only. I don't think SPI will want checks from individuals.

##### **August 15th Meeting. DEADLINE AUGUST 1ST**

We will be going to Accuform Signs ( <http://www.accuform.com/> ) in Brooksville to tour their manufacturing facility and be giving a presentation on LockoutTagout. We will also have access to a meeting room afterwards for a short business meeting. **IMPERATIVE TO ATTEND...** We need a solid commitment from no less than 15 people to make it worth the time of the fine folks at Accuform. They do ask that we give them a 2 week lead time on our head count. So we need to ask for RSVPs by NOON on August 1st. I think we should try to get out there by 10:00 since there is a drive involved. Those that RSVP I will send them directions and a meeting place on their campus. Carpool if needed. Maybe mention it's about 40 minutes from Tampa area and an hour from Lakeland area. We can stop and eat lunch together on the way back maybe? Use this as an opportunity to invite a co-worker or colleague to a WCFSA event!

#### **Future Meeting Ideas.**

##### September 19th

NFPA 70E. Scott Young speaker. He is based in Tampa. Location? Either ask Patty for a space if available or see if he will travel to Lanier? (I will send him an email this afternoon).

##### October 17th

Trenching and Excavation. Carl York is a suggested speaker (I think my email is old for him, maybe Joan has a current one?) or someone from Kimmins Construction? Location?

November 21st

Risk Management. Janine Bain to speak and host at Goodwill Industries. Annual Safety Products Inc food drive. Please stock up on canned and non-perishable foods.

December 19th

Holiday Lunch Social. Location? Holiday toy drive.

**Safety NOW!**

2nd Annual free event by WCFSA highlighting guest speakers on the topics of behavior based safety cultures. Free BBQ lunch included. Hosted at Bernie Little Distributors in Lakeland, FL. Currently being planned.

**WCFSA LinkedIn Group**

Join us on LinedIn, start a discussion thread, make a post, look for updates, meeting announcements and more regarding the WCFSA!

**NEXT MEETING:**

August 15<sup>th</sup> – a field trip to Accuform Signs in Brooksville and presentation on LOCKOUT
