## Guest Speakers

# Free to attend! Register Online!

**Dr. Richard Kazbour, PhD**

Discussing the topic of "Awareness matters right?" parts 1 and 3. Richard is an expert in behavioral science with experience in consulting with business organizations. He has conducted research in areas of safety improvement and employee performance.

**Jurate L Wolfe, PhD.c**

Featuring the topic of "Culture lives through language, is safety culture any different?" Jurate is a multilingual industrial psychology professional, applied researcher and entrepreneur with experience in both individual and organizational performance assessment.

**Lisa Kazbour**

Discussing the topic of "Awareness matters right?" part 2. Lisa is an award-winning teacher with experience in business, health psychology and behavioral science. She has been involved heavily with behavioral health research at Western Michigan University.

**Jim Ulseth**

Safety and Health Consultant with the USF Safety Florida Consultation Program and provides safety assistance to companies in the West Central Florida area since 2003 and is an authorized OSHA outreach trainer for the construction, maritime industry and general industry 10- and 30-hour classes.

**Mike DelBovo**

A special presentation by Saddle Creek Logistics Services President, Mike DelBovo. Mike is a transportation and logistics professional and a leader in Compressed Natural Gas (CNG) for the trucking industry. He is experienced in cross-dock and supply chain management.

**Kenneth Martin**

Kenneth and Bernard are jointly providing a presentation on "Designing out error-provocative environments and liability issues in implementing PTD standards". Kenneth is a seasoned professional with experience in a variety of environments including a cumulative 15+ years in safety health and environmental field with several major construction contracting and manufacturing organizations.

**Bernard Telatovich, PE, Esq**

Bernard is with Consulting Services and Investigations, LLC and provides forensic services for matters in litigation or prior to filing lawsuits.

**Special Guest...**  
**Joan Spencer of OSHA**  
Joan will be discussing what is happening in the world of OSHA. Joan is an OSHA Compliance Assistance Specialist in the Tampa area. Joan provides advice, education and training to businesses, labor organizations and other associations to promote voluntary compliance with OSHA's safety and health standards. Joan holds a Bachelor of Science degree in Chemistry and a Master of Public Health in Industrial Hygiene/Safety Management.
