

HARKERA

2019 Behavioral Leadership Workshop: Avoiding Pitfalls to Achieve Results

AUGUST 29TH, 2019 | STEINBRENNER FIELD | TAMPA, FLORIDA

LEARN about the behavioral pitfalls that keep us from being successful, ways to achieve results in safety, leadership, quality, and production, the science of why people do what they do, and tools you can use to create a “want to” instead of a “have to” environment in your organization.

Open to leaders looking to improve results in leadership, safety, and operations – no behavioral background necessary.

PRACTICE what you learn throughout the day using voting pads, case studies, break-outs, and discussions led by behavioral experts.

INCLUDED IN THE WORKSHOP

-  Lunch & refreshments
-  30 minute coaching call with a Behavioral Coach following the workshop

EXPLORE legendary Steinbrenner Field, home of the New York Yankee’s spring training following the workshop with a complimentary guided tour.
